**SOON PARIS / THE SHOW OF THE
NUMBERED ORIGINAL WORK * 3
BASTILLE DESIGN CENTER
FROM 01 TO 03/12/2017**

Every two years, SOON Paris echoes the best of the contemporary editions in the capital. With the success of its first two editions, SOON Paris became the new reference meeting of the contemporary artistic creation for around thirty galleries and international editors of numbered contemporary original works. The artistic proposals selected by the independent artistic committee, allow to discover the new productions (prints, books, videos, objects or jewels) of recognized or emerging artists.
